

How do I purchase or renew a Parallels Access for Business subscription?

- Parallels Access for Business

Information

To buy or renew an existing Parallels Access for Business subscription, log in to your [Parallels account](#).

Go to **Parallels Access > Corporate Subscriptions**.

If you don't have a subscription, you will have the option to buy one.

If you have a business subscription for Parallels Access, here you will be able to manage its auto-renewal and other subscription properties.

For instructions on purchasing a regular Parallels Access subscription, please see [KB 116724](#).
