

## **This key cannot be used with Parallels Desktop Build**

- Parallels Desktop
- Parallels Desktop for Mac Pro Edition
- Parallels Desktop for Mac Standard Edition

## **Symptoms**

I am trying to activate Parallels Desktop, but the key is rejected with the error message:

*This key cannot be used with Parallels Desktop Build XX.X.X*

## **Resolution**

Enter a license key compatible with the version of Parallels Desktop installed on your Mac.
