

Remote Application Server freeware license disclaimer

- Parallels Remote Application Server

With the release of Parallels Remote Application Server (RAS) v15, freeware 3-user license is no longer valid for current and previous versions of RAS (v15, v14, v12 and previous releases).

In order to evaluate Remote Application Server, Parallels offers a 30-day Trial Period for 50 concurrent users.

Please do not hesitate to contact our Sales Team if additional information will be required.
