Join a Parallels business account

- My Account

To join a Parallels business account, open the invitation email and click on **Join Business Account**. If you don't find the email, make sure to check your SPAM folder.

If you try to create an account with a pending invitation which you have not yet accepted, you will encounter the following notification:

You have already been invited to join existing account but have not yet accepted the invitation.

You should accept the invitation by following the link in the invitation email.
