

Parallels Toolbox support

- Parallels Toolbox

Open Parallels Toolbox from either Mac menu bar, or Windows task bar, click on cogwheel at the right top corner > **Help** > **Support Center**.

Or use your Parallels account:

1. Go to the [Support](#) page.
 2. Select your product and the category of your question.
 3. Enter a short issue description or key words into the search box.
 4. If you don't find the solution you are looking for, click **Request Support** and proceed to the Support contact options.
