

How to assign an RD Session Host or Gateway to a particular Publishing Agent

- Parallels Remote Application Server
- Parallels Remote Application Server 16.0

Information

In order to manually assign an RD Session Host or Gateway to a particular Publishing Agent, follow these steps:

RD Session Host

1. Open **Remote Application Server Console**.
2. Go to **Farm > RD Session Hosts** > right-click on the required server > **Properties > Agent Settings** tab.
3. Uncheck **Inherit default settings**.
4. Select a required Publishing Agent from the **Preferred Publishing Agent** dropdown menu.

Gateway

1. Open **Remote Application Server Console**.
 2. Go to **Farm > Gateways** > right-click on the required server > **Properties > Properties** tab.
 3. Select a required Publishing Agent from the **Preferred Publishing Agent** dropdown menu.
