

Parallels Toolbox for Windows trial period

- Parallels Toolbox

Parallels Toolbox offers a 14-day trial period within which you can enjoy the offered tools and make a decision on whether the application works for your needs. To use the trial version, follow the steps below:

1. Download and install Parallels Toolbox for Windows:
2. Start Parallels Toolbox. You will see the registration window. You should either sign in to your existing account or create a new one.

The screenshot shows the Parallels Toolbox application interface. At the top, there is a dark blue header with a back arrow on the left, the text "PARALLELS TOOLBOX" in the center, and a gear icon on the right. Below the header, the main content area has a dark background. The text "Sign in to activate" is displayed in a large, light font. Underneath, it says "Using Parallels account:". There are two radio button options: "I am a new customer" (unselected) and "I have a password:" (selected). Below these are two input fields labeled "Email" and "Password". To the left of the "Password" field is a link that says "Forgot Password?". To the right of the "Password" field is a "Sign In" button. Below the input fields, there is a section titled "Other sign in options:". This section contains three buttons: "Sign in with Apple" (with an Apple logo), "Facebook" (with the Facebook logo), and "Google" (with the Google logo). At the bottom of the screen, there is a button labeled "Business Edition".

3. After you sign in or create an account, click on **Continue**.

Important Information

We would like you to learn more about Parallels [Privacy Policy](#) and [Terms of Use](#), so that you fully understand what personal information we collect and how we use it in our effort to deliver the best Parallels products and services to you.

In order to continue working with Parallels products and services, read the information on the following pages.
