

Where can I buy a previous version of Parallels Desktop?

- Parallels Desktop for Mac Standard Edition
- Parallels Desktop for Mac Pro Edition

Symptoms

I need to buy one of the previous Parallels Desktop for Mac versions, but I do not find it at the Parallels Online Store.

Resolution

Parallels Online Store only offers the latest version of Parallels Desktop. Thus, if you would like to buy any of the previous versions, please check if it is offered by your local resellers or authorized online resellers like Apple, Amazon etc.
