

## **Renew expired Parallels Desktop subscription**

- Parallels Desktop for Mac Standard Edition
- Parallels Desktop for Mac Pro Edition

### **Symptoms**

When I start Parallels Desktop for Mac activated with a subscription license, I get the error message:

*Your subscription to Parallels Desktop has expired.*

*To continue using Parallels Desktop, renew the subscription or purchase a new license.*

### **Cause**

The license has expired.

### **Resolution**

Follow the steps below to renew the license:

1. Click on **Renew...**
2. On the opened page click **Proceed to Checkout**.

3. Proceed with the purchase.
4. Restart Parallels Desktop.
