

Upgrade Parallels Desktop for Mac to Pro Edition

- [My Account](#)
- [Parallels Desktop for Mac Pro Edition](#)
- [Parallels Desktop for Mac Standard Edition](#)

If you have an active Parallels Desktop Standard Edition subscription, you can easily convert to Parallels Desktop Pro Edition with just a few clicks and get access to many advanced powerful features. Productivity is at the heart of every feature that was added to the all-new Pro Edition: do more in less time with higher quality.

Parallels Desktop Pro Edition is available as a [subscription](#); you will always enjoy running the latest version of Parallels Desktop as a benefit of your subscription. Pro Edition also includes no-charge subscriptions to [Parallels Toolbox](#) - a set of essential Mac tools and [Parallels Access](#) - the easiest way to access your computer from anywhere remotely.

Parallels Desktop for Mac Pro Edition includes the following features and capabilities:
