# In this screen you can enter an activation key only for Parallels Desktop Business Edition

- Parallels Desktop
- Parallels Desktop for Mac Pro Edition
- Parallels Desktop for Mac Standard Edition

## Symptoms

I am trying to activate Parallels Desktop for Mac, but get the follwoing error message:

*In this screen you can enter an activation key only for Parallels Desktop Business Edition.*

## Cause

You clicked on the **Business Edition** button, which should be used only by Parallels Business customers.

## Resolution

Click **Go Back** and complete the registration procedure. Create a Parallels account or log in to an existing one. When the activation window appears, enter your activation key. See KB 123277 for more information on the registration process.
