

[01/000000F] The server's license has expired.

- Parallels Remote Application Server 19.1
- Parallels Remote Application Server 18.3
- Parallels Remote Application Server 18.2
- Parallels Remote Application Server 18.0
- Parallels Remote Application Server 19.0
- Parallels Remote Application Server 18.1

Symptoms

Your license key is correct, however none of the clients can connect:

Cause

Wrong expiration date in RAS Console.

Resolution

Go RAS Console > Licensing > Activate... > re-enter your key and hit "Activate"

Note: If this is not the case, please restart Publishing Agent service and check the issue.
