

How to disable Task View gesture in Windows 10 virtual machine

- Parallels Desktop
- Parallels Desktop for Mac Business Edition
- Parallels Desktop for Mac Pro Edition
- Parallels Desktop for Mac Standard Edition

Symptoms

Every time I swipe from left to right on my trackpad Task View comes up.

Cause

Windows 10 gesture support implemented in Parallels Desktop.

Resolution

Open [the virtual machine's configuration](#) > **Hardware** > **Mouse & Keyboard** > unwrap **Advanced Settings** > uncheck **Enable swipe from edges** option.
