

## **How to disable Task View gesture in Windows 10 virtual machine**

- Parallels Desktop
- Parallels Desktop for Mac Business Edition
- Parallels Desktop for Mac Pro Edition
- Parallels Desktop for Mac Standard Edition

## **Symptoms**

Every time I swipe from left to right on my trackpad Task View comes up.

## Cause

Windows 10 gesture support implemented in Parallels Desktop.

## Resolution

Open the virtual machine's configuration > Hardware > Mouse & Keyboard > unwrap Advanced Settings > uncheck Enable swipe from edges option.
