How to install Parallels Desktop for Mac App Store Edition

- Parallels Desktop for Mac App Store Edition

Find Parallels Desktop in App Store, click on **Get > Install App**.

If you’re not logged in to the computer as an administrator, enter the administrator’s name and password.

If you’re not signed in to App Store, enter your Apple ID and password, and then click **Sign In**.

After downloading, Parallels Desktop for Mac App Store Edition is automatically installed in the **Applications** folder on Mac.
