

How do I get Parallels Toolbox for Windows?

- Parallels Desktop for Mac Pro Edition
- Parallels Desktop for Mac Standard Edition
- Parallels Toolbox

- Parallels Toolbox for Windows is included as complimentary software with Parallels Desktop for Mac.

To learn how to turn on Parallels Toolbox utilities from Parallels Desktop, see [KB 123925](#).

- You can also download a stand-alone copy of Parallels Toolbox at the Parallels website:
