

Universal Scanning TWAIN Driver

- Parallels Remote Application Server

Symptoms

Redirected TWAIN driver is not displayed in **Scanners&Faxes; Scanners and Cameras** during the remote session.

Cause

TWAIN Drivers aren't supported by Microsoft Windows scanning applications.

Resolution

Following windows scanning applications are supported Microsoft WIA Driver only.

C:\Windows\System32\wiaacmgr.exe

C:\Program Files\Windows Photo Viewer\ImagingDevices.exe

C:\Windows\System32\WFS.exe

For TWAIN Driver use 3rd party scanning applications.
