

## **Admin guide**

• Parallels Secure Workspace

## Supported versions:

- Parallels Secure Workspace 5.6
- <u>Awingu 5.5</u>

## Older versions:

- <u>Awingu 5.4</u>
- <u>Awingu 5.3</u>
- Awingu 5.2
- Awingu 5.1
- <u>Awingu 5.0</u>
- <u>Awingu 4.3</u>
- <u>Awingu 4.2</u>
- Awingu 4.1

Note that only the latest admin manual still receives updates. However, even when using an older product version, it could be worth checking out the latest one as it may contain more details on some features which were already available in previous versions.
