How to send feedback on Parallels DaaS

If you have comments or suggestions, we encourage you to send us feedback.

You can do this from the Parallels DaaS Management Portal:

1. Click the "person" icon in the top-right corner.
2. From the menu that opens, select **Provide Feedback**.
3. Add your feedback and click **Send**.

You can also send feedback to our dedicated support address cloud-beta@support.parallels.com.
