

Find your account manager contacts in Parallels Business account

• Parallels Desktop for Mac Business Edition

When managing your <u>Business account</u>, at some point you may want to reach out to your account manager to make certain changes, discuss an opportunity to switch to the per-user license, or, perhaps, manage the number of your subscription seats.

You can find the contact of your account manager in your Business account, on the following page:

- 1. Sign in to your Parallels account at https://my.parallels.com/ with an Administrator account.
- 2. To view information on the registered license, go to **Parallels Desktop for Mac Business edition > Active subscriptions >** select the needed subscription:

3. On that page, go to **Contract Details** and switch to the **Sales Representative** tab:

Contract Details	×
General Sales Representative	
Name	
Role	
Email	
Phone	-
	Download Contract Agreement

You can use the account manager **e-mail** specified on this page to reach out when making an inquiry.
